Regarding FSC-POL-01-004

(Policy for the association of organizations with the FSC)

The organization that subscribes to this declaration is associated with the Forest Stewardship Council A.C., Oaxaca, Mexico, or any of its subsidiaries or affiliates (hereafter the FSC) either because it is affiliated or has a contractual relationship with the FSC. By this means, the undersigned organization explicitly states that they have read and understood the "Policy for the association of organizations with the FSC" as published on www.fsc.org. This policy stipulates the FSC's position regarding inadmissible activities undertaken by organizations and individuals that are already associated or that might want to associate with the FSC, as well as the mechanism to disassociate.

In view of the above, the organization explicitly agrees now and in the future, as long as the relationship with the FSC exists, not to participate directly or indirectly in the following inadmissible activities:

- a) Illegal logging or trade of wood or illegal forest products;
- b) Violation of traditional and human rights in forestry operations;
- c) Destruction of high conservation values in forestry operations;
- d) Significant conversion of forests to plantations or non-forest uses;
- e) Introduction of genetically modified organisms in silvicultural operations;
- f) Violation of any of the ILO fundamental Conventions as defined in the ILO Declaration on fundamental principles and rights at work.
